CLARINO MARCHE

J.L. Battmann.

The musical score is written for piano and clarinet in B-flat major, 2/4 time. It consists of four systems of music. The first system has a piano introduction marked 'f' in the bass. The second system features a clarinet melody with fingerings and a piano accompaniment. The third system continues the clarinet melody with various fingerings and a piano accompaniment. The fourth system concludes the piece with a piano accompaniment marked 'f' and a clarinet melody marked 'p'.

The manufacturers of these instruments have undoubtedly a greater combination of capital, business experience, and mechanical skill than any other Organ Company in the world. The Messrs. White are Organ makers by profession, and exercise that practical supervision over all departments which insures perfection in every part. Mr. White, senior, was for many years in charge of the tuning and action department of the largest Organ factory in the country, and to him are unquestionably due more valuable and permanent improvements in REED ORGANS than to any other person. The Wilcox & White Organs being manufactured in the most careful manner from only the best materials, use will not impair their fine qualities of tone and action.

The public is earnestly cautioned against being inveigled into buying fictitiously high priced instruments offered for about one-fourth of their nominal value. The whole scheme bears such evidence of fraud and misrepresentation that no one should be deceived by it. Such organs, with from 12 to 16 stops, are not equal to those with half as many stops, made by honorable manufacturers. The public should always bear in mind that competition for cheapness is at the expense of excellence, and that quality descends faster than price.
